***Unless otherwise noted, all pipe is CLIII and does not include any prefab fittings or jack and bore pipe. Pipe runners, baffle blocks and energy dissipators are not included with scored pipe or box S.E.T.s. All box sections are based on joint lengths as per AmeriTex Pipe & Product, LLC published price list. ***

Terms are Net 30.

Price quotes are valid for this project only and do not include any sales or use taxes. Quantities are estimated from preliminary plans and are subject to change. Prices quoted are valid for 30 days from date of bid. Delivery dates to be determined are time of actual order. Accepted quotes constitute a binding contract between AmeriTex Pipe & Products, LLC and contractor/purchaser.
