Described below are the terms and conditions for providing to you the Documents through the DocuSign, Inc. ("DocuSign") electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

Electronic Access: To access these electronic Documents, you must have (a) a personal computer or mobile device and an operating system capable of receiving, accessing, displaying, and either printing or storing information, (b) an Internet connection, (c) Internet Browser Software such as Google Chrome®, Safari®, or Firefox®, and (d) a valid email address. Your Internet Browser Software must support AES-256-bit encryption and Secure Sockets Layer (SSL) protocol. If you are able to see this Electronic Record and Signature Disclosure, your hardware and software should allow you to access these electronic Documents.

Getting paper copies: At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. As long as you are an authorized user of the DocuSign system you will have the ability to download and print any Documents we send to you through the DocuSign system for a limited period of time, usually 30 days after Documents are first sent to you electronically. After such time, if you wish for us to send you paper copies of Documents, you will not be charged a fee for paper copies. You may request delivery of such paper copies of any Documents, previously provided electronically by us to you, by sending us an e-mail at docusign@lennar.com and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

Declining electronic delivery: Upon receipt of your initial electronic communication from DocuSign you may decline further receipt of Documents through the DocuSign system by clicking on the "Decline" button at the bottom of the "Request For Signature Page" of your DocuSign account and provide your reason for declining. This will indicate to us that you have declined to receive required Documents electronically from us and you will no longer be able to use the DocuSign system to receive required Documents electronically from us or to electronically sign Documents from us.

Withdrawing your consent after the initial electronic communication: If you decide to receive Documents from us electronically, you may at any time change your mind and tell us that

thereafter that you want to receive required Documents only in paper format. To inform us that you no longer want to receive future Documents in electronic format you may either, (i) decline to sign a Document during your DocuSign session, and on the subsequent page, select the checkbox indicating you wish to withdraw your consent, or (ii) send us an e-mail to docusign@lennar.com and in the body of such request you must state your e-mail, full name, US Postal Address and telephone number. At our option, we may treat an invalid email address or the subsequent malfunction of a previously valid email address as a withdrawal of your consent to receive Documents electronically.

We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online Documents will be that transactions may take a longer time to process.

Consequences of changing your mind: If you elect to receive required Documents only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need to first send to you the required Documents in paper format, and then wait until we receive back from you, as the case may be, (i) your executed Documents or (ii) your acknowledgment of your receipt of such paper Documents.

All notices and disclosures will be sent to you electronically. Unless you tell us otherwise, in accordance with the procedures described herein, we will provide to you electronically through the DocuSign system, all required transaction Documents. To reduce the chance of you inadvertently not receiving any Document, we prefer to provide all of the required Documents to you by the same method and to the same address that you have given us. Thus, you can receive all the Documents electronically through the DocuSign system or in paper format through the paper mail delivery system. If you do not agree with receiving Documents electronically through the DocuSign system, please let us know as described above. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the Documents electronically from us.

In consenting to receiving delivery of Documents via DocuSign, you agree that your consent to your electronic signature and electronic delivery is being provided in accordance with applicable state and federal law, including without limitation the federal Electronic Signatures in Global and National Commerce Act; you agree that you will not forward the Documents to another party for signature nor allow any other party to sign the Documents sent via DocuSign on your behalf unless that party is properly named as a delegated signer in accordance with DocuSign policy.
