Re: Guajolote East Lift Station
Invitation to Bid Letter

To Whom It May Concern:

About the Bid

Lennar Homes of Texas Land and Construction, LTD will receive proposals for construction of the above-mentioned project. The Guajolote East Lift Station is located in Bexar County, Texas approximately 0.1 miles north of Babcock and Scenic Loop intersection.

A public bid opening will be held at the Pape-Dawson Office (2000 NW Loop 410, San Antonio, TX 78213) at 4:00pm on Wednesday, July 1, 2026. Sealed proposals should be submitted to Mrs. Stephanie Castillo prior to the public bid opening. All formal contact with Pape-Dawson prior to contract award shall be through me, who may be reached by phone at (210) 375-9000, or by email at sscastillo@pape-dawson.com. A mandatory pre-bid meeting will be held at the Pape-Dawson Office (2000 NW Loop 410, San Antonio, TX 78213) at 10:00am on Wednesday, June 24, 2026.

If any prospective offeror is in doubt as to the true meaning of any part of the proposed contract documents, offeror may submit, to Pape-Dawson, a written request (sscastillo@pape-dawson.com) for an interpretation thereof. Pape-Dawson must receive all requests by no later than 2:00pm on Friday, June 26, 2026. Any interpretation of the contract documents will be made only by addendum duly issued, and a copy of such addendum will be emailed to each offeror receiving a set of contract documents.

Contract documents and specifications are being offered only in digital format and are attached. It shall be the responsibility of the offeror to advise Pape-Dawson of conflicting requirements or omissions of information that are necessary for a clear understanding of the work, before the date set for opening proposals. Those questions not resolved by addendum shall be listed in the offeror's proposal, together with statements of the basis upon which the proposal is made as affected by each question. Please note, questions regarding the plans or specifications will not be accepted after 2:00pm on Friday, June 26, 2026.

Sealed bid packages and contractor qualifications are expected to be submitted by offerors prior to the public bid opening meeting. The public bid package will be opened in public and should include a signed Bid Form and a Bid Bond. All construction items related to public improvements are exempt from taxes. If any change orders are needed for this project, offerors will have to use unit prices from the original bid quantities. No change orders will be accepted for earthwork quantities unless driven by construction plans revisions. Mass grading and wall construction within the Lift Station will be performed by others. The Contractor is only responsible for installing the 10 HDPE force main from station 1+00.00 to station 1+53.34 the remainder force main alignment will be installed by the residential unit sitework contractor.

Included in the contractor qualifications there must be a statement that the bidders acknowledge and agree that CTR Construction LLC may not be utilized as a subcontractor for any portion of work. Any bidder found to have engaged, attempted to engage, or expressed willingness to engage CTR Construction LLC as a subcontractor shall be subject to disqualification.

Lennar Homes of Texas Land and Construction, LTD will be responsible for materials testing and geotechnical testing costs (Geotech Engineer is to be determined). The contractor will be responsible for all construction staking. Re-staking due to stakes being "knocked off" will be the offeror's responsibility. Any inspection fees are to be paid by the offeror.

A construction schedule and qualifications should be included in your bid proposal. Following the public bid opening at 4:00pm on Wednesday, July 1, 2026, the contractor is expected to be able to mobilize on August 1, 2026, following a mandatory pre-construction meeting held at the Pape-Dawson Office (2000 NW Loop 410, San Antonio, TX 78213). Date and time of the pre-construction meeting to be determined.

Sincerely,
Pape-Dawson

Stephanie S. Castillo
Senior Project Manager
